
UN Priorities in Cote d'Ivoire: Mission Implementation Plan

Implementing UN Priorities Workshop
27-28 June 2013

Overview

- Content
- Rationale
- Framework
- Context

MIP Content

Protection of Civilians

- Enhance capacity of local authorities
- Secure environment
- Fight against impunity and greater accountability

DDR

- Balanced, realistically financed program based on transparent and verifiable database

SSR

- Develop and implement national SSR Action Plan with realistic budget

Political Dialogue and Reconciliation

- Land reform
- Responsible coverage by Ivorian media
- Dialogue and reconciliation activities at the local level

Rule of Law and State Authority

- Local authorities deployed and fully operational
- Independent, equitable and efficient justice system
- Strengthened penitentiary services

Rationale: Planning, monitoring and reporting

- Mission centralized planning, monitoring and reporting tool
- Need to prioritize (given context, budget restrictions etc)
- Focus on concrete results and progress
- Ensure follow up and corrective action if necessary
- Guides work plans and e-performance

MIP Framework

Priorities

Objectives

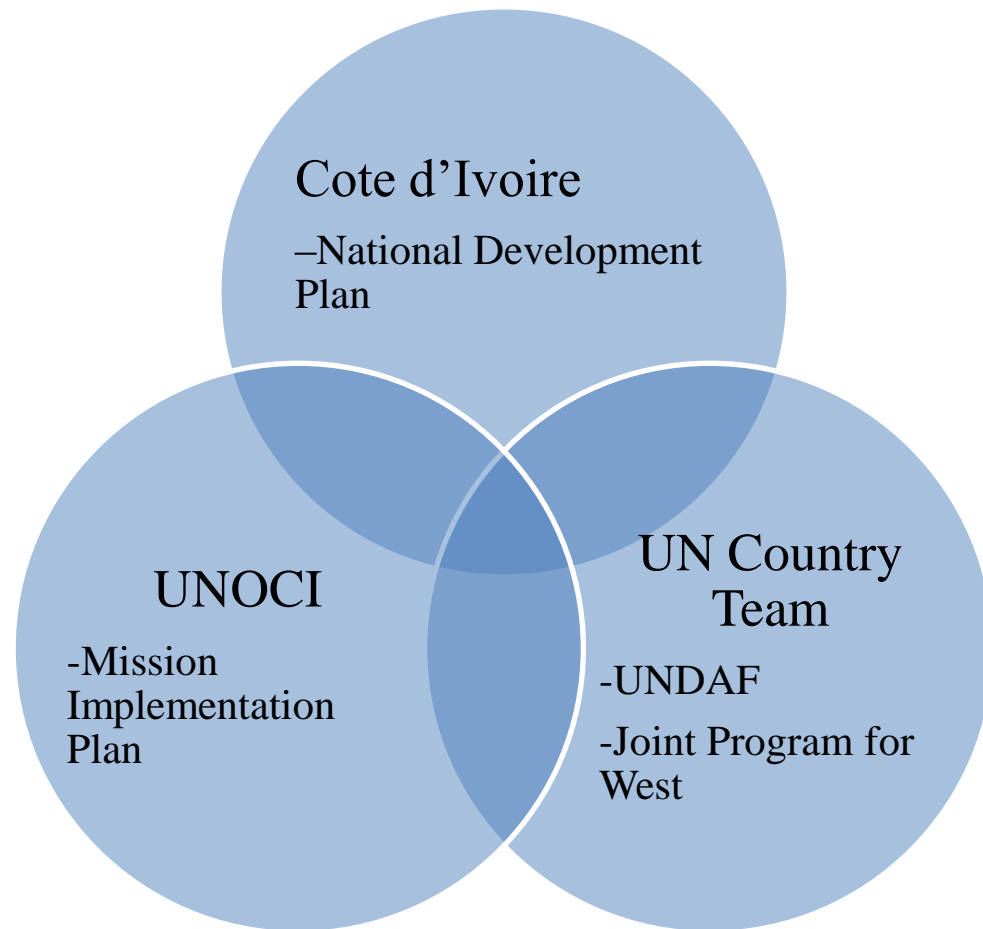

Activities
